KINGDOM PARTNERSHIP

World

Pastor Jose is here this weekend to build on our 16 year partnership with him and INCREASE Ministry. Over the years we have been blessed in sending over 20 short term teams to Costa Rica involving over 250 different folks. Many lives have been touched with our Christ-centered partnership on both sides of the border.

Jose began in Costa Rica, but in 2012 God started opening doors in Brazil to expand the INCREASE Ministry there. Five years ago he moved to Brazil. Since then, the Spirit has opened many doors within the business community as a vehicle to share the Gospel. God's fruit has been amazing. Many lives have been transformed, many leaders discipled, and churches formed.

INCREASE's Vision is to cultivate a movement for the multiplication of emerging leaders who are committed to the gospel of Jesus Christ and filled with the Holy Spirit. Their mission is to glorify God, cultivating a movement for the multiplication of emerging leaders at all levels.
